

10 Happy Customers: 10 Reasons to Choose Better Packages Dispensers

BP 555eS Northeast Building Products Corporation	<p>"When you open the cover, right away you see quality parts inside. You can tell immediately after using the 555eS and reading the manual that there's no learning curve by engineering in this product."</p> <p>Read the complete testimonial at www.betterpackages.com.</p>
BP 333 Plus Eagle Magnetic Company, Inc.	<p>"These machines are very easy to use and clean and adjust. I would recommend them to everyone."</p> <p>Read the complete testimonial at www.betterpackages.com.</p>
Johnson and Johnson	<p>"We have tried other tape dispenser products at Johnson and Johnson; nothing has worked better than Better Packages dispensers."</p>
BP 555eS Swisher Mower & Machine Inc.	<p>"We have purchased several Better Pack 555eS units and they have helped increase our parts room shipping capacity greatly."</p> <p>Read the complete testimonial at www.betterpackages.com.</p>
BP 555eS Quest Aviation, Inc.	<p>"With the volume of packages that we seal up and ship out everyday, I don't know how we could get it all done with manual [plastic] tape dispensers or without hiring extra people. The 555eS is a great product and I'm quite sure we will purchase more."</p>
BP 500 Nuvar, Inc.	<p>"I talked my supervisor into trying a Better Pack 500. It has been in service for two years now and I haven't touched it [for servicing] once! As the other [brands] break I plan to replace them with the BP500."</p>
BP 333 Plus Medi/Nuclear Corporation, Inc.	<p>"We have been using your Better Package 333 tape dispensers since the 1970s. We are in need of another tape dispenser... would not go anywhere else!"</p>
BP 333 Plus Inservco	<p>"You can't beat its ease of use and durability!"</p>
BP 333 Plus Spenco Medical Corporation	<p>"We have 36 within our company and they have outlasted other brands. The three we recently purchased were to replace another brand."</p>
BP 333 Plus Roloff Manufacturing Company	<p>"It [BP 333 Plus] has been in service for 38 years and the gears have now gone bad on it. So needless to say with that kind of life I did not even think about buying anything but another Better Pack 333 for my replacement tape dispenser."</p>
