

**You Want to Use Water-Activated Tape Dispensers...
But How Will They Get Serviced?
Your Needs...Our Solutions**

PROBLEM: Your company decided water-activated tape is the right carton sealing solution, but you're unsure how your tape dispensers will be serviced and repaired.

At some point all equipment needs a tune-up and repair. Water-activated tape dispensers are no exception. Before you purchase your tape dispensers, you need to know who will repair your dispensers.

SOLUTION: Better Packages' worldwide network of Authorized Distributors ensures the best in customer service.

From our inception almost 95 years ago, Better Packages has worked to create the best and most comprehensive Authorized Distributor network. Authorized Distributors sell and repair Better Packages dispensers throughout the world, using only genuine Better Pack parts. This means that no matter where your business is located, a Better Packages Distributor is close by to service the water-activated tape dispensers so vital to your company's productivity.

Why Better Packages?

To use WAT, you need a water-activated tape dispenser. To maximize productivity and cost-effectiveness, you need to choose the right dispenser and manufacturer. Better Packages dispensers are quite simply, the best dispensers on the market.

Better Packages Dispensers Are...

Simple to Operate	Our elegant design makes them easy to use from the moment they come out of the carton. Employees can get right to work.
Safe	All Better Pack electric tape dispensers are built to meet or exceed UL, CE and CSA regulatory requirements for electronic and operator safety. No other dispenser manufacturer can make this claim.
Reliable	Better Packages dispensers are extensively tested and proven. They: <ul style="list-style-type: none"> • Are made to the highest specifications-- from steel frame construction to low voltage heaters. • Last an average of 16 years.
Backed by a Company in Business for Almost 95 Years	Throughout our long history, Better Packages has focused only on supporting the water-activated tape market. The result? We are the #1 manufacturer of water-activated tape dispensers in the world.
Supported by an International Network of Distributors	Our Better Packages' global network of Authorized Distributors provides the most comprehensive service and support in the industry, using 100% Better Packages parts.
